SUMMARY

Computer Science & Engineering Graduate and **ICPC Dhaka Regional Finalist 2024** with 2.5+ years of experience in competitive programming. Solved **1,500+ problems** based on data structures, algorithms, and mathematics on different online judges. Eager to start working as a **Software Engineer Intern**.

EDUCATION

B.Sc. in Computer Science and Engineering | Jan 2022 - Jan 2026
Daffodil International University | CGPA: 3.48 out of 4.0

SKILLS & TECHNOLOGY

Programming Languages: C | C++ | Python | Java | C# | SQL
Core Concepts: Data Structures & Algorithms (DSA) | Object-Oriented Programming (OOP) | Design Principles (SOLID) | Database Management Systems (DBMS) | Networking
Tools & Technologies: Git | GitHub | VS Code | MySQL
Soft Skills: Analytical Thinking | Time Management | Conversational English | Adaptability | Teamwork

PROGRAMMING CONTESTS ACHIEVEMENTS

International Collegiate Programming Contest 🔗

- ICPC Dhaka Regional Contest 2024 ↗ | **201st** among 304 teams
- ICPC Dhaka Preliminary Contest 2024 ↗ | **324th** among 2489 teams
- ICPC Dhaka Preliminary Contest 2022 ↗ | **1071st** among 2479 teams

Online Problem-Solving Activities

- Codeforces - wk_siyam ↗ | Max rating - **1205 (Pupil)**
- CodeChef - wk_siyam24 ↗ | Max rating - **1500 (2-Star)**
- LeetCode - wk_siyam ↗

EXTRACURRICULAR ACTIVITIES

Executive member at DIU ACM | Feb 2023 - Dec 2024

A community of competitive programmers dedicated to practicing and organizing coding contests under the Computer Programming Club at DIU.
